

ALL I WANT FOR

Christmas

8TH DECEMBER 2022

FESTIVITIES HIGHLIGHT THE THINGS WE MUST BE GRATEFUL FOR, AND THIS GRATITUDE INCREASES OUR SENSE OF WELLBEING.

The school reverberated with the Christmas carols sung by grade 11 Girls. It was heartwarming to see the audience reflect on the messages conveyed through these timeless carols.

Grade 11 boys put together an activity of “Guess the carols” and “Christmas riddles” for their enthusiastic audience. Students and teachers wrote their personal affirmations for the new year and their gratitude messages on “The Tree of Gratitude.”

We hope that our students honor the spirit of Christmas in their hearts and keep it all through the year.
